on of Nuclear Weapons

[Redacted]

First proposed in October 2013, resolution A/RES/68/32, resolution meant as a follow-up to a high-level meeting on nuclear disarmament held on 26 September 2013

The resolution, approved by the First Committee of the UN General Assembly, is a landmark in the process of negotiations for the early conclusion of a treaty on the prohibition of nuclear weapons

The resolution "declares the 26 September as the International Day for the Total Elimination of Nuclear Weapons"
