The CANSEC War Fair: Weapons Galore and Global Warfare

PEJ News - Coalition to Oppose the Arms Trade - Richard Sanders - April 23, 2009 - A new COAT report links 50 Canadian war industries that are exhibiting at the CANSEC arms bazaar (Ottawa, May 27-28) to Nuclear Weapons, Depleted Uranium munitions, Antipersonnel Landmines and Cluster Bombs, "Ballistic Missile Defence" weapons, automatic weapons, chain guns and too much more. Read the report and find out what you can do...

More than 50 of Canadian military export industries coming to CANSEC 2009 arms show in Ottawa are linked to the production of weapons systems that most people in this country would probably recognize as morally reprehensible and thoroughly unCanadian, if not downright illegal.

Among the weapons systems marketed by Canadian companies exhibiting at CANSEC 2009 are:
