### "My Nuclear Neighbour"

## CBC's *The Nature of Things* to feature Beyond Nuclear colleague Gordon Edwards

- Beyond Nuclear Bulletin - February 11, 2010

*The Nature of Things* will premier ["My Nuclear Neighbour"](#) on Thursday, February 11 at 8 pm (Eastern time) on CBC-TV, and repeat the program on Thursday, February 18 at 10 pm ET/PT on CBC News Network.

The episode will focus on [Bruce Power's efforts to build new reactors in the Peace River region of Alberta, Canada, and the second biggest in the world](#), on the eastern shore of Lake Huron. [Dr. Gordon Edwards of the Canadian Coalition for Nuclear Responsibility](#) and [Great Lakes United Nuclear-Free/Green Energy Task Force](#)

**Our View:** Although Bruce Power has canceled plans for five new reactors in the Peace River region, a number of times he has traveled to the Peace River region. [Canada's underground dumpsite for "low" and "intermediate" level radioactive wastes - including those from proposed reactors in Alberta - are targeted at the Bruce nuclear complex about a half-mile from the Lake Huron shoreline](#). [Scores of environmental groups and municipalities](#)

**What You Can Do:** Email or call Joy Mulinex, [Great Lakes Task Forces](#) director, at [joy\\_mulinex@levin.senate.gov](mailto:joy_mulinex@levin.senate.gov)
