Buy Nothing - Give Something

Dear Friends - Tomorrow is Friday, November 25 - "Buy Nothing Day". iD2 Communications Inc. (Victoria, BC) encourages all businesses and individuals to not only buy nothing on this day but go a little further and "Give Something" instead.

You may decide to give blood, give money to someone suffering a continent away, bring some canned goods to the food bank, lend a hand to someone in need whatever you do, please join us in GIVING SOMETHING on Friday, November 25. Thank You!
