Once a year, the good folks at CFUV Radio put their collective hat on the pavement and ask for support. CFUV is a unique institution in Victoria, and rare in the whole of the country, in that the station provides citizen access to media. The importance of that has never been clearer, as we see increasingly dove-tailed corporate and government information promoting disastrous policies, such as war and consumer destruction of the environment, all for the profit of a narrowing elite, both in Canada and abroad. So, take your opportunity to support alternative media and stick a thumb in the propagandist eye.

And, fun!

G-Radio is dedicated to social justice, the environment, community, and providing a forum for people and issues not covered in the mainstream media.
