Sierra Club BC Screening of Under the Sea 3D

PEJ News - moirasierra - Join Sierra Club BC for a private screening of Under the Sea, a new IMAX 3D adventure directed by world-renowned documentary filmmaker Howard Hall. This is a unique opportunity to experience face-to-face encounters with some of the most mysterious and stunning creatures of the sea.

Before the screening, enjoy an inspirational presentation by Sierra Club BC's marine campaigner and science advisor, Colin Campbell, PhD. The IMAX theatre is located at Canada Place (Vancouver). Doors open at 7 pm on Thursday 26 February. Dr. Campbell's presentation starts at 7.30 pm, and the screening at 8 pm.

By donation.
