9th Annual Conservation Connection Forum

PEJ News - msdknight - Habitat Acquisition Trust (HAT) is thrilled to announce that our 2009 Conservation Connection Forum will be

Friday, September 18

th

, at Royal Roads University

.
Conservation Connection

facilitates co-operation and communication among dozens of organizations and individuals working on environmental stewardship and conservation projects in the Capital Regional District and beyond. A full day event, Conservation Connection features workshops, panel discussions, networking opportunities, a display area, and presentations.
