Victoria Community TV presents:

On Shaw TV: Channel 11 in Victoria and Saltspring Island

Maude Barlow - Water Talk

This is SHOCKING ... Filmed recently in Victoria, Maude Barlow of The Council of Canadians discusses what is happening with water around the world, and with a focus on the situation here in Victoria. Corporations are moving to privatize water. They are getting a lot of help from the Corporate Media and a lot of Corporate Politicians... and privatizing sewage treatment is a first step..
