Defense Minister Graham speaks at UBC Monday

Minister Bill Graham will be coming to the Liu Institute at UBC on Monday April 25 to discuss the recently released Defense Review. Hello everyone,

Minister Bill Graham will be coming out to the Liu Institute on Monday to discuss the recently released Defense Review. He will be here from 10 to 11:30 a.m. I would appreciate your attendance for his talk and discussion afterwards. We'll be meeting in

the Multipurpose Room.

If you have colleagues (and/or students) that you would like to bring along - please do. For those of you not on campus, we are at 6476 NW Marine Drive.

Thanks for your consideration and hopefully will see you Monday.
