MOBILIZE AND PROTEST AGAINST THE SECURITY AND PROSPERITY PARTNERSHIP AGREEMENT!

August 20th is a continental day of action to oppose the SPP, a highly secretive agreement between US, Mexico, and Canada. The SPP is essentially NAFTA-plus-Homeland Security, firmly rooted within a colonial and capitalist framework. There is no doubt that the SPP will bring greater

insecurity and misery: murderous wars and occupations abroad; border militarization; increased detentions and deportations; attacks on indigenous peoples, the poor, migrants, and working people; ecological destruction; and mega-projects in the service of corporate greed.

Leading upto August 20th, a wide range of educational events, actions, and creative resistance is being planned by a growing network of groups and individuals. Below are just some of the activities being planned, with many more being planned and confirmed.
