A FREE Preview of the Keys of the Arcturians. Through Sacred Geometry, Powerful Music and the beautiful art of Crop Circles, explore life's deepest questions and unlock your highest potential. This presentation created by Dutch artist, Janosh, will guide you through a series of Activations - powerful visual meditations using Sacred Geometry - to help You shift your sub-conscious programmes, releasing old patterns that no longer serve you. A multimedia presentation based upon the same teachings of the Secret and the Law of Attraction. The combination of animated holograms, information on power of thought, geometry, the Golden Ratio, bio-geometry and powerful music serves as a guideline for anyone who wants to learn how to use his power of thought optimally. It is explained how we can give our life a positive turn when we become more aware of our thoughts, that geometry can play a key role in our
