### **Colleen McCrory - In Memoriam**

Colleen McCrory's contributions to the preservation of both community and environment can be appreciated on a global, national and local level. Check out some of her work on PEJ by searching for McCrory on this site. See a tribute to her on the [Sierra Club](#) site and more about her on the [Valhalla Society](#) website.

Colleen will be remembered fondly by friends and colleagues in the BC Environment movement for her constant work in shedding light on forestry issues, leading the way to preserve forests in Canada.
