Chaos In The New World Order

PEJ News - CasaZaza - Unification of Europe was first - now the North American Union is in full swing - replete with fuzzy, double-speak, feel good names like Harmonization, Deep Integration, Free Trade, Security and Prosperity Partnership Agreement, etc. These measures, based on negating geopolitical boundaries and securing monopolistic markets, will ultimately lead to the clash of cultures, as has already begun. Of course the elite will have a solution for the Hegelian problem they created, namely, a new world order Chaos En Novus Ordo Seclorum

"Make me one with everything" - Buddhist in a pizza parlour

"For more than a century ideological extremists at either end of the political spectrum have seized upon well-publicized incidents such as my encounter with Castro to attack the Rockefeller family for the inordinate influence they claim we wield over American political and economic institutions. Some even believe we are part of a secret cabal working against the best interests of the United States, characterizing my family and me as "internationalists" and of conspiring with others around the world to build a more integrated global political and economic structure - one world, if you will. If that's the charge, I stand guilty, and I am proud of it." - David Rockefeller 2002 autobiography Memoirs

There is a small, but powerful group of individuals who are the architects and instigators behind the formation and implementation of the New World Order. Their plans represent a consciously organized attempt to bring about an end to national sovereignty and western democracy.

"David Rockefeller is the most conspicuous representative today of the ruling class, a multinational fraternity of men who shape the global economy and manage the flow of its capital. Rockefeller was born to it, and he has made the most of it. But what some critics see as a vast international conspiracy, he considers a circumstance of life and just another day's work... In the world of David Rockefeller it's hard to tell where business ends and politics begins" - Bill Moyers

Their motivations are the age old human traits of greed and power
